

Lady In Question

Fallen

-He's either a Workaholic or...

-Yes, and has a Snug mid the Cubes?

-She's a Collector, the Beloved, unfortunately.

-How long does he have?

-Month at the outside!

-Then back to the brawling brats!

-And Destiny!

-Heavy.

-Not at all. Her name. The wife.

-And the Lady In Question?

-Always staying open to one who might do it differently.

-Is there one?

-I don't know. I'm just a member of the Sex, don't study it.

-The fish is in the water, and the water is in the fish?

-Call me Mackerel!

-But you know, you're too flippant about these office affairs.

-Brilliantly!
